

**RALPH A. LEWIN**  
MARINE BIOLOGICAL LABORATORY  
WOODS HOLE, MASSACHUSETTS, U.S.A.  
15 1956

E.G. Pringsheim is here for a fortnight or so. He then goes on to Indiana for a month. Last night he expressed an interest in visiting Madison. If you want him for a seminar, you might get in touch with his local travel agent - Prof. Cleland.

Thanks for reprints.
